

BUILDING WITH PURPOSE

JOB VACANCY: Carpenter/Maintenance Worker/Handyperson – Foster Maintain Team

CARPENTER / MAINTENANCE WORKER | *Bring your carpentry and maintenance work experience to join the Fosters team....where we BUILD WITH PURPOSE!* We're on the lookout for an **experienced carpenter** and/or **maintenance worker** to join the Foster Maintain team.

ABOUT US | Fosters has been shaping the Waikato and Bay of Plenty regions for 50+ years, with a proud history of delivering high-quality construction projects that support thriving communities. We are known for our meaningful contribution to community, leadership development and purposeful business alliances. As an **iconic and award-winning** construction brand, our success is driven by our **passionate, skilled people** and our **strong community values**. Being part of the Fosters team (200+ across Waikato & BOP) means joining a **supportive and down-to-earth workplace** where people are genuinely valued and career progression is encouraged.

Foster Maintain is a business unit of the Foster Construction Group, **specialising in small to medium commercial construction projects**.

ABOUT THE ROLE | We're looking for a skilled **Maintenance Carpenter** to take the lead on small-medium scale commercial maintenance projects for one of our key clients. This role is ideal for someone with solid construction trade experience who's ready to step into lighter, varied work with plenty of autonomy. You'll bring strong problem-solving skills, confidence working independently, and the ability to engage professionally with clients. Having your own tools is essential, and there is potential for access to a work vehicle. If you enjoy practical, hands-on tasks and value a role where you can manage your own workflow, this is a great opportunity to grow and make the position your own.

WHAT'S IN IT FOR YOU? | At Fosters, we strive to achieve an environment where our people can thrive – where everyone feels valued, growth is encouraged and success is celebrated.

- *Competitive remuneration* – Market aligned and based on experience; weekly pay.
- *Projects* – Locally based, challenging and rewarding; a role where you can work with purpose on diverse range of projects.
- *Culture & Community* – Work with a high performing team with a positive working environment and people-first team culture; regular social events and team get-togethers; community initiatives.
- *Wellbeing initiatives* – Wellness programme, annual flu vaccinations, health and skin checks.
- *Training, Growth & Development* – Role applicable safety training, development plans, leadership pathways, mentorship from experienced team members, opportunities for career growth.

INTERESTED IN JOINING US? | If you're an experienced carpenter or maintenance person who prides themselves on craftsmanship, teamwork, and a strong safety ethic—and you want to be part of a respected local company making a real difference—we'd love to hear from you!

TO APPLY | **Apply now** providing your **CV** and **cover letter** demonstrating the above role capabilities & experience, and why you'd like to join the Fosters team.
